

# Iredell County Health Department

**Public Health**  
Prevent. Promote. Protect.

<http://www.co.iredell.nc.us/Departments/Health/health.asp>

The **MISSION** of the Iredell County Health Department is to promote and protect the personal and environmental health of residents.

## Goals

- Monitor community health status.
- Diagnose and investigate health problems and hazards.
- Inform, educate and empower residents about health issues.
- Mobilize community partnerships to identify and solve health problems.
- Develop policies and plans that support health efforts.
- Enforce laws and regulations that safeguard health and ensure safety.
- Monitor health services.
- Research new insights and solutions for health problems.
- Promote quality health for all.
- Assure a competent public health and personal health care workforce.

## VISION

Leaders and innovators working in partnership with our public to achieve healthier communities.
