Facility Use Rules & Regulations

Keep a copy of these rules, and the approved application, with you during your reservation.

- 1. A "Facility Use Request Form" and full payment must be submitted to the Iredell County Parks & Recreation Department 2 weeks prior to the requested date(s) of use.** Date(s)/time(s) requested should include preparation/set-up and clean-up time. Reservations are first-come, first-served and are subject to availability and approval by ICPRD. Reservations are required for athletic fields & enclosed buildings.
For Special Events, the "Special Events: Facility Use Request Form" form is required 6 weeks prior to requested date(s).
- ICPRD will determine if a request will require the standard facility request form, or if it will be considered a special event.
"Special Event" criteria may include: multiple areas reserved, high capacity, open to the public, fees charged, vendors present, insurance required, etc. This could include, but is not limited to: tournaments, festivals, walk/run events, fundraisers, large scale public or private/commercial events.
- Site Suitability: Requests will be evaluated on (but not limited to): compatibility of the event with existing uses/users, public safety, intensity & frequency of other park uses/users, availability of amenities (restrooms, parking, trash, power, etc), park condition & preservation (environmental impact, season, time, intensity, duration, etc).
- Full payment & any deposits are due at time of reservation approval (with application for non-special events).** Special Events: Some organizations may be invoiced, ONLY with prior approval from ICPRD (25% non-refundable deposit required). Deadlines for remaining balances must be met. Events may be cancelled for overdue fees, and/or may be charged additional fees for late payments. Additional fees may be charged for: lining/painting fields, event set-up/clean-up, damage fees, etc
- Reservations/requests are not valid without the completed "Facility Use Request Form", fees paid in full, and the request approved by ICPRD.**
- Cancellations: Fees are non-refundable.** Cancellations at least 1 week prior to the event start may be considered for rescheduling (within 3 months of event date). Deposits are not refundable prior to the reservation date, and/or in the event of a cancellation. Cancellations due to inclement weather or emergency situation (during or prior to event) may be considered for rescheduling (or partial refund with Director approval) on a case-by-case basis, and are at the discretion of ICPRD. Cancellations due to lack of event participation (or failure to follow event requirements) will not be considered for rescheduling/refund of paid fees.
- Concession areas and/or community buildings: Security deposits are required. Rental/use fees are not refundable. Security deposits may be refunded AFTER the event, provided that clean-up procedures have been followed and no damage is reported upon post-event inspection. Food is not to be sold without prior Vendor approval or Concession MOU, and/or proper permits/inspections. ICPRD may require a percentage of sales or an upfront fee.
- Community Buildings: Applicant must be on-site during reserved times.
- Public or commercial events (festivals, sporting events, tournaments, etc) are required to have Event Liability Insurance in the amount of \$1,000,000, with Iredell County named as an additional insured for the date(s) of the event. Insurance information must be submitted to ICPRD at least 30 days prior to event date. Commercial Events will also require Workers Compensation insurance. - A copy of the APPROVED request form must be in the possession of the group while using the facility. If another group/person is using the reserved area during your scheduled time, present this form and politely ask them to leave. Contact the Iredell County Sheriff's Office if resolution is needed.
- Removal or repositioning of ICPRD property (goals, benches, bleachers, etc) is not allowed. Contact ICPRD 72 hours in advance if changes are needed.
- Parks and/or amenities may close with inclement weather. Requests for events with alcohol must be submitted to the ICPRD Director, and approved by the Recreation Advisory Committee and the Board of Commissioners. If approved, permits and additional security will be required for events with alcohol (provided & paid for by applicant/group). The process for Board approvals could take 4-8 weeks.
- Iredell County has the authority to waive fees for county-sponsored events, or provide customized rates for non-profit groups or community-based events. Verification of group/event status may be required.
- An ICPRD representative shall have the authority to revoke the permit upon finding a violation of department rules, regulations, or county ordinance. If the permit is revoked, there will be NO REFUND of any money paid. Any misrepresentation as to the nature of the event, number of attendees expected, contact or payment information, or any other falsification of documents may result in the immediate cancellation of the event and forfeiture of fees paid, and may also result in denial of future permit requests and/or legal action. Failure to pay by deadlines can result in cancellation of event.
